

DREAM WEAVER TRAVEL

Group sign up information letter

Thank you for signing up for a Dream Weaver's Travel escorted group trip. We look forward to traveling with you!

Please complete the Dream Weaver Travel waiver (one per person) and return to us as soon as possible.

We highly recommend travel insurance, as cancellations can result in up to 100% penalties, and all trip deposits are non-refundable. We work with Travel Guard International and would be more than happy to provide you with a free quote and assistance finding the right plan for you. You can also simply click on the link provided on this email. If you have any pre-existing conditions, it is imperative that you sign up for the Travel Insurance within 15 days of paying your initial trip deposit in order for the pre-existing conditions to be covered. For specific questions regarding coverage's, it would be best to contact Travel Guard directly at their Toll-Free number at 1-800-549-9037.

We have changed our group travel policies and now **require** the Waiver be filled out and returned to us before we can confirm your place on this trip. Often times we need the information on that form to confirm diving, accommodations and especially flights. So, we are asking you to fill it out immediately so that we have all the information we need from the start. Please complete the attached waiver and return it to us as soon as possible, as you will NOT be confirmed on this trip until you do so.

PROOF OF CITIZENSHIP is your responsibility. All of our destinations will require a VALID US PASSPORT that is valid for at least 6 months past travel dates, and some will require a visa. You must have at least one visa page available in your passport. The Intelligence Reform and Terrorism Prevention Act requires travelers to and from the Pacific, Caribbean, Bermuda, Panama, Mexico and Canada have a passport to enter or re-enter the United States. This requirement applies to all air, land or sea travel. If you are not a US Citizen or are unsure of your destination's entry requirements, please contact us.

You will be receiving emails in the months prior to your group trip describing your trip details, and payment due dates (late fees may be imposed on balances paid beyond due date). Pre-trip preparation details will be included in your final documents along with your electronic tickets and general information.

Please note if the trip you are signing up for involves a liveaboard boat there will be additional interim payments due (a schedule will be provided). All payments are 100% non-refundable once paid. Also, if you sign up as a single occupant, we will try our best to find you a same gender roommate. However, in the event that we cannot find you a roommate, please be aware that you will be subject to pay a single supplement fee (fees vary depending on the trip).

If you have any questions, please do not hesitate to contact any of the staff at Dream Weaver Travel Center. We look forward to traveling with you!
